Representing the Professional Police Officers of Prince George's County, Maryland

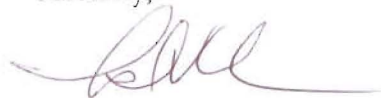

I am forever indebted to many of these individuals whom have honored me by returning to serve yet another term in their respective positions. And, for those new members joining the Board, I welcome you and look forward to working with you. The previous two years have definitely been eventful; and, I would expect no less in the upcoming year. I am confident that as a team we can weather any situation and continue to move this great organization forward on behalf of our membership.

I would be remiss if I failed to thank those members who have decided to step-down from office. As we have discussed, I know that your departure from the Board does not mean that you have left the FOP. You have assured me that you are still committed to your brothers and sisters; and, I know that, if ever necessary, I may call upon you for your assistance. On behalf of the men and women of FOP Lodge 89, we thank you all and wish you continued success in your future endeavors.

In closing, I am grateful to this membership for its support. I am positive that we will persevere and overcome each and every challenge placed before us. And, you may rest assure that you have your greatest advocates within the leadership of Fraternal Order of Police Lodge 89.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Ismael', with a long horizontal flourish extending to the right.
