Civil Action No. AW-08-2455

ORDER

The Court is in receipt of the supplements to the Motion and Cross-Motion for Summary Judgment (Paper Nos. 48, 49 and 50) filed by both Plaintiffs and Defendant. It appears to the Court that Defendant's supplemental filing may contain several errors, specifically with regard to dates referring to the FY'09 budgetary cycle. If the Court's observation is correct, Defendant should re-file its supplemental, without the exhibits, no later than Wednesday May 27, 2009.
