

Prince George's FOP 89 General Announcement

Date: January 7, 2009

Subject: Key Scan Cards

FOP Lodge 89 is currently in the process of issuing key scan cards. These cards are only necessary for officers who frequent the lounge after business hours (5pm). It will not be needed to conduct regular business at the Lodge or for Lodge events. The database automatically deletes the history every fourteen (14) days; therefore the scanning record (history) of entry to the Lodge can be accessed only by the President and shall not be disseminated to any internal or outside agency.

We will be distributing the cards on Tuesdays from 8 am to 11 am and Thursdays from 2pm to 5pm. Cards will only be distributed during the above noted times so as not to affect the normal operation of the lodge. Please see Pam Moore or First Vice President Jones. Please bring a copy of your Police Department Photo ID card with you. You may refer to the FOP website for the security policy.

Associate members of FOP Lodge 89 and Active members of other FOP Lodges may apply for a scan card at a cost of \$20.00. Active Members of other FOP Lodges will need to bring their Police ID with their picture and a copy of their current FOP card and Picture Police ID.
