President

Dear Brothers & Sisters,

The Board of Directors of FOP Lodge 89 has decided to delete coverage for domestic relations and family law matters under the prepaid legal plan provided by our law firm, Schlachman, Belsky & Weiner, PA, effective November 1, 2011. All pending domestic matters that originate on or before November 1, 2011 will be completed by our law firm under the existing plan. The action taken by the Board of Directors was solely due to the rising cost of providing outside counsel in domestic cases involving two dues paying members of our FOP.

In closing, I would like to remind all of you that our law firm, Schlachman, Belsky & Weiner, PA will be available to represent you in family law matters, workers' compensation cases, personal injury cases, medical malpractice cases, and product liability cases at REDUCED RATES.

Please feel free to contact the Firm at 301-627-6360 or statewide toll-free at 1-888-685-2022.

Fraternally,

Ismael "Vince" Canales
President, FOP Lodge 89
